The racist anti-Muslim group 'Reclaim Australia' plans to hold a rally in Melbourne on Saturday July 18 as part of an ongoing attempt to blame Muslims and other minorities for problems not of their making.

We need to take a stand against Islamophobia and racist scapegoating. The problems we face are caused by government policy, not ethnic or religious minorities. It's time to get organised and unite our communities against racism.

Join our counter-rally on the steps of the Parliament of Victoria (Spring Street, Melbourne CBD) to occupy the space and stop the racists from spreading hate speech on our streets.
